## Stuckmeyer's Gift Certificates are Available

Gift Certificates are available for that "hard to buy for person" who loves to garden. We also have giftware and a large assortment of potted containers. Stop in and see what is happening at Stuckmeyer's. We have been busy getting things ready for this Spring!

## Stuckmeyers is Going Green!...

It was a cold winter for all of us this year. This Spring has started out cold and wet. Quite the change from last year when at this time we already had onions, potatoes and lettuce planted out in our fields.

But as everyone knows, every year the weather is not always the same. Just look at how the weatherman "always" get the forecast correct!

The weather will eventually straighten up and it will be a

race to get everything out into the fields. Our greenhouses are starting to fill up more and more each day. Did you know that Stuckmeyer's grows the majority of their flowers and vegetable plants? All the vegetables that Stuckmeyers plant in the fields are the same that are sold in the greenhouse. We strive to have the best plants to grow in our fields and we want our customers to expect the same.

Now on the "Stuckmeyers going green! With the majority of our customers having internet access, we thought we would try to send our newsletters and updates via email. What we would like everyone to do that is interested, to please sign-up on **Stuckmeyers.com** to receive our newsletter via email. For those of you that would like to **continue** to receive our newsletter via US Mail, we are going to ask you to contact us either in person or call us..

## Come out and Join our Gardening Seminar-- "Flowers...Flowers...And More Flowers"

This will be our ninth year to hold the Gardening Seminar. This year the staff of Stuckmeyer's will be conducting the seminar. This year's topic will be on "Flowers...Flowers...And More Flowers." This talk will be new items that we have added to our flower selection. It will also cover some "oldies but goodies" flowers and combinations..

Also, the seminar will talk on types of soil mediums available, when to buy the expensive soil and when it is acceptable to use the cheaper soils.

If you have never made it to a seminar, there is always a tip or two that can be picked up. Plus many questions are discussed from those in attendance. The seminar

will be held Saturday, April 16<sup>th</sup> starting at 1:00 pm. Refreshments, door prizes and discounts will be available during the seminar. Please join us and bring a friend. This should be very informative and enjoyable for everyone that attends!

## Back by Popular Demand-- Kid's Day

Dads - bring the kids out on Saturday, May 7<sup>th</sup> to design and plant a free Mother's Day container for your special someone. All supplies, including the card are furnished by Stuckmeyer's for FREE!

The staff at Stuckmeyer's will be available to assist the kids planting the containers. Last year we had over 750 kids that enjoyed decorating their very own specially designed pot.

This is always a very popular event; hope to see all of you.

A tent will be setup for this special event. Hours for this event are 10:00 am to 3:00 pm.

Yes-we are opening the market earlier than usual. It seems, our customers are ready for fresh fruits and vegetables. Coming soon we will have our own lettuce, green onions, radishes, and asparagus. Soon after this our strawberries will be in.

Stuckmeyer's Farm Market is just like having a farmer's market 7 days a week. No need to wait for the weekend to go to the farmer's market. We grow a large variety of vegetables. We also fill in with other locally grown items.

Stuckmeyers is also starting to sell more and more of our locally harvested honey, some of it is actually from our farm.
